Note: • All the disclosed factories manufacture MEC-brand products.

- For commercial reasons, MEC deleted any word that would reveal the product type of a given factory (with the exception of apparel factories). For example: ABC Eyewear Ltd becomes ABC Ltd.
- Factories contracted in 2008 to supply merchandise for retail in 2009 are not included here. They will be listed in our 2009 factory disclosure.

For 2008, MEC contracted 80 factories:

- 53 factories are listed here.
- 22 factories were excluded. A minimum of \$10,000 in purchase orders was used to determine the list; we bought less than \$10,000 from the 22 excluded factories.
- 5 additional factories are not disclosed for reasons of administrative oversight or non-agreement to disclose. We will update the resolution and/or status of our negotiations with these factories by July 2009.
